

32" early years interactive touchscreen

# Interactive Touchscreen Table Early Years

Giving you tools for developing communication skills,  
and creating engaging teaching and learning experiences.

## Designed with you in mind.

- 32" P-CAP touchscreen allows for up to 40 simultaneous touch points.
- Full HD screen for viewing content in high resolution.
- Halo protection system helps protect both screen and users.
- Medical grade power system (battery version).
- Battery can be fully charged from empty in 3 hours and provides up to 8 hours of continuous use.
- Sits at the perfect height for use in early years education environments, such as nurseries, junior or pre-schools.
- Screen built onto a stylish powder-coated steel frame with easy-lock wheels.
- The ability to tilt the screen from vertical to horizontal provides greater flexibility and adaptability.
- Counterbalance tilt technology helps with safety whilst adjusting the angle of the display, creating a smooth and controlled user experience.
- Wi-Fi and Bluetooth connectivity.
- Access to thousands of apps through the Google Play Store.
- Award-winning Yellow Door education apps offer a fun and engaging way of teaching and learning early years subjects.
