Virtual Reality for Schools

## CLASSVR RESOURCES

**NEW  
INTERACTIVE  
SCENES**

Thousands of curriculum-aligned resources and counting...

ClassVR comes complete with a constantly growing library of thousands of curriculum-aligned virtual and augmented reality resources, for use across all subjects and age ranges.

Choose from 360 degree photos, 360 degree videos, 3D models and explorable virtual scenes, that help teachers deliver fully immersive, exciting and engaging lessons.

All resources are categorised, tagged and organised by subject matter or topic and are fully searchable. Simple descriptions of each resource, along with key data and key questions are available online; alongside additional downloadable structured lesson plans, teacher guides and student worksheets.
