WIDTH	LENGTH	HEIGHT	LAPTOP SIZE	STORAGE CAPACITY
510 mm	815 mm	620 mm	15.6"	10

FEATURES

Reliable lock - quality ASSA Abloy locks are fitted as standard for reliability and peace of mind.

4 sturdy grab handles for safe transportation - one at each corner of the trolley, so it responds to the lightest touch.

Separate lockable charging compartment - means user access can be restricted to the laptop compartment only.

Easy wheel - designed to last, the LapbankTL uses large diameter wheels. Each of which has independent locking.

Strength built in - the all welded steel construction provides a durable solution, fabricated from 1.5mm steel.

**CELEBRATING
26 YEARS
1996-2022**

There are 4 things that make the Lapbank TL a stand out solution...

- Holds Chromebooks, 15.6" laptops and tablets
- Top loading for easy access
- Less bulk, less weight and increased durability
- Excellent maneuverability

The effort required to move a fully loaded Lapbank TL is further reduced by the 4 grab handles, one at each corner, that ensure the unit that responds to even the lightest of touches.

OPTIONS

CODE 6200 INTELLIGENT CHARGING

This charging option provides smart power management for multiple device charging. The Intelligent Charge Module senses when multiple laptops or devices are fully charged and manages the power requirements, switching the power off when all devices are fully charged, saving money, saving the environment and increasing the 'life' of battery life.

CODE 6290 DATA TRANSFER KIT

Allow data transfer to your devices whilst locked away and charging. The integrated Data Transfer Kit allows you to connect the LapbankTL into your LAN via a 3m CAT6 cable.

CODE 6705 SECURE DOCKING - the Lapbank TL can be securely attached to the fabric of the building via our docking option.
