## FEATURES

- Simple elegance** - all cables are hidden within the column.
- Supremely stable** - the sturdy base is hidden beneath a neat cover.
- Easy access** - base cover is sculpted for wheelchair access.
- Enhance the experience further with on-board accessories** - including sound bar mount, video conference camera mount, anti-crush bar, laptop shelf, laptop secure wall mount, Apple TV and Intel NUC.

## SPECIFICATION

- Vertical range and position** - 600mm of electronic vertical movement
- Mount size** - universal brackets for VESA mount sizes up to 800mm and 440mm or 600mm high. Please specify when ordering.
- Floor to centre of mount** 1285-1895mm
- Construction** - high quality steel with a reliable electric motor
- Warranty** - 5 year return to base warranty

Two stylish columns with near silent telescopic movement (600mm of vertical travel) that includes integrated (and hidden) power distribution as standard.

The trolley is easily maneuvered and incredibly stable, allowing the screen resource to be quickly and safely shared.

Additional function and control is tailored to your needs through a range of accessories. Standard models have a maximum screen size of 170kg and 105".
