

Interactive Table 43"

The interactive table designed for study,
work and team training

4K UHD resolution & display supporting up to 32 simultaneous touches

Classrooms & labs for training and collaborative study!

The ideal choice for increased productivity
Interactive table 43"

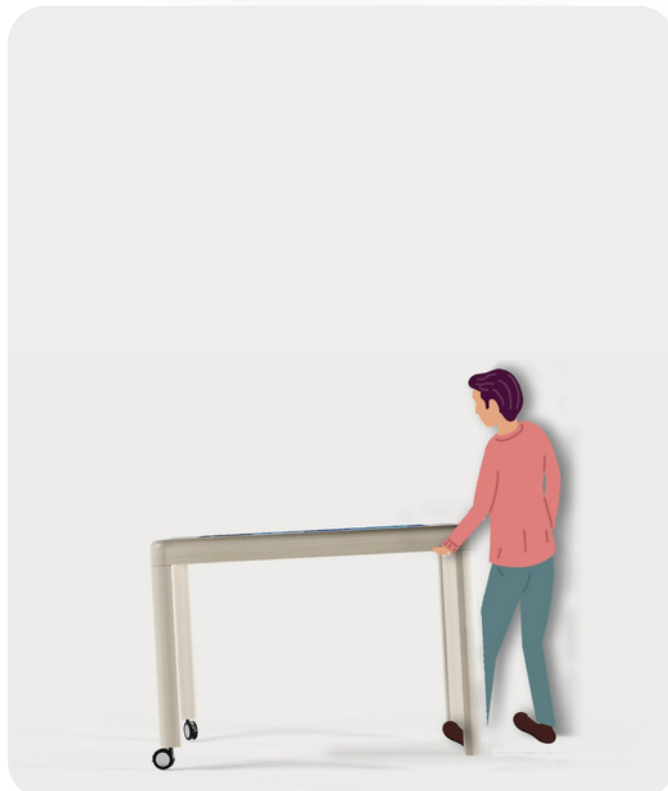

Combines maximum performance & ease of use

Display 43" 4K UHD
3840×2160

Windows 11
PRO

Museums , halls & exhibition spaces

With our interactive table, content becomes

clear & dynamic !

H 90 cm horizontal plane

H 72/90 cm inclined plane

Building on the outstanding performance of the 4K UHD panel and the unique LED backlight technology, combined with a robust design and structure, the interactive table maximizes the viewing area and enhances the visual presentation of content, making it much clearer and incredibly dynamic !

High-Definition Display Stunning 4K HD Resolution

Power Supply Beneath the leg

Enhances the design by minimizing cable visibility and prevents direct contact with electrical wires.

Libraries & common spaces

Transform & furnish spaces into authentic
collaborative working environments !
