Shelf dimensions:

The iPad charging station is designed to accommodate iPads, USB tablets and eReaders up to 11" screen sizes. The shelf aperture size (mm) is 310d x 210w x 40h (16 & 32) or x 32h (20 & 40) – big enough so you can leave your iPads and tablets in their cases (including large cases like the Griffin Survivor), but best to check your device dimensions (including the power connector) before ordering.
