* For EU variants, add -EU to the end of the product code.

Shelf dimensions:

The iPad trolley is designed to accommodate iPads, USB tablets and eReaders up to 11" screen sizes. The shelf aperture size (mm) is 310d x 210w x 40h (16 & 32) or x 32h (20 & 40) – big enough so you can leave your iPads and tablets in their cases (including large cases like the Griffin Survivor), but best to check your device dimensions (including the power connector) before ordering. The perfect iPad trolley for classrooms, offices, warehouses and other commercial environments.
