UNIVERSAL VR-8

VR STORAGE & CHARGING CASE

OVERVIEW

The Parotec Universal VR Case is a robust, portable solution for storing and charging Virtual Reality headsets and controllers. Featuring eight rectangular pockets, it accommodates most soft-strap headsets along with their controllers. Ideal for schools, training centres, and professional environments, the case ensures safe transport, secure storage, and efficient charging.

Key Features:

- **Capacity:** 8 VR headsets and controllers
- **Compatibility:** Suitable for soft strap headsets including Meta Quest, Pico and other USB-C charged VR devices.
- **Charging System:**
 - Surface mounted USB-C ports
 - Intelligent USB-C Power Delivery (PD) charging
 - Automatic power management for each port
 - Simultaneous charging of all devices
 - Country specific power cable
- **Protection:**
 - Shock-resistant foam inlay with durable plastic top
 - Standard surge protection
