

# 55-INCH OUTDOOR WEATHERPROOF TV

FVG55 ULTRA 4K HD SERIES

---

Visual Innovation That  
Transforms Spaces

## Experience Entertainment Without Boundaries

Transform any outdoor space into a stunning entertainment hub with the FVG Outdoor TV. Our weatherproof screens are engineered for brilliance, built to comfortably withstand the outdoor elements, and designed to deliver the perfect picture every time. Whether it's to watch the big match, a concert or show the latest blockbuster movie, this TV never fails to impress...

### Unmatched Visual Performance

Enjoy ultra-bright 4K resolution that cuts through sunlight, delivering crystal-clear images even on the brightest days. Every game, movie, or show bursts with vibrant colour and lifelike detail, ensuring an immersive viewing experience from any angle. Up to four times brighter than an indoor TV with an Anti-Reflection screen.

### Built to Withstand the Outdoors

Manufactured using the latest weatherproof technology, this TV is resistant to rain, dust, humidity, insects and extreme temperatures. IP55-rated weather protection ensures year-round performance, so outdoor movie nights and game days never get cancelled.

### Smart Connectivity

Stream your shows, movies, and live sports effortlessly with integrated Wi-Fi and smart TV capabilities. Access favourite apps and streaming platforms with ease, all from a sleek, stable and intuitive interface.

### Perfect for Every Setting

Ideal for terraces and backyards, bars, hotel gardens, poolside/hot tub areas and rooftop lounges, FVG Outdoor TV elevates any environment into a premium entertainment destination.

- Ultra-bright 4K display for daylight viewing
- Weatherproof and temperature-resistant design
- Smart streaming and wireless connectivity
- Sleek, modern aesthetic that complements any outdoor décor
