P-TEC D12

12PORT DESKTOP CHARGING UNIT:USB-C

OVERVIEW

EAN: 61-HEB12-D12-USBC

The Parotec D12 is a robust and secure desktop charging unit designed to store and charge up to 12 devices simultaneously.

Engineered for environments where devices need to be safely housed, charged and accessed quickly, it's ideal for education, corporate offices, healthcare, retail, and shared-device workspaces.

Key Features:

- 34mm slot width supporting tablets, handhelds and small laptops
- Robust steel construction with vented front door
- Lockable with key for secure storage
- Integrated cable management
- Stackable design for multi-bay configurations
- Quiet active cooling fans for safe charging
