KIDSCASE TAB 10

10-PORT USB-C TABLET CHARGING CASE

OVERVIEW

EAN: 33-5536-1-C06-110

Charge, store and protect up to 10 tablets in our convenient, portable charging case, designed and built specifically to cater for tablets housed thicker protective cases.

Charge multiple devices quickly, safely and efficiently; ensuring that your devices are protected and organised. Padlock option in the case offers an additional level of security, and high density foam offers additional protection for tablets.

Key Features:

- 1 large bay with supporting 10 devices in cases up to 32.5mm thick
- Rugged build and reinforced handles for added protection
- 10x charging ports, each delivering 25w per port
- Silent, passive ventilation for keeping devices cool
- Telescopic handle for easier portability
- Additional security with padlock option
