60”-110” RECOMMENDED SCREEN SIZE

120kg MAXIMUM LOAD

1,200 × 600 MAXIMUM VESA PATTERN

HEIGHT ADJUSTABLE

REMOTE CONTROL

Make more of shared screens with a remote-controlled, height-adjustable trolley that brings presentations, collaboration and learning wherever they’re needed. Designed for offices and classrooms, it adapts easily as spaces and activities change.

FEATURES

- Motorised height adjustment for comfortable viewing and interaction.
- Supplied remote and onboard buttons for convenient height control.
- Sleek, contemporary lightweight design with a gunmetal grey finish.
- Easy to assemble in under 20 minutes for a quick, hassle-free setup.
- Height memory presets for quick adjustment to preferred positions.
- Heavy-duty lockable castors for easy movement and secure positioning.
- Lower the display to help clear doorways when moving between rooms.
- Equipment shelf keeps accessories and presentation materials within reach.
- Robust steel construction supports 60–110″ screens weighing up to 120kg.

Mounting Height Range: 1307–1607mm

IDEAL FOR OFFICES

- Adjust screen height for seated meetings and standing presentations.
- Lower the display to help clear doorways between meeting rooms.
- Complement modern office interiors with a sleek profile and gunmetal grey finish.

IDEAL FOR CLASSROOMS

- Adjust screen height so pupils of different heights can comfortably interact.
- Share a display between classrooms and lock the castors in place for lessons.
- Child lock prevents tampering of the height adjustment controls.

Also ideal for AV hire, events, hospitality venues and conference rooms, offering a flexible display solution wherever it's needed!
